

REMARKS:

Claims 1-22 have been cancelled. Claim 23-46 have been added, and are now active in this application.

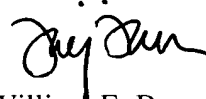

All of the above amendments are fully supported by the claims and disclosure as originally filed. No new matter has been added. Further, the above amendments have been made merely to simplify claim language, and not for purposes related to patentability.

Accordingly, it is believed that this application is now in condition for examination on the merits. Favorable consideration is earnestly solicited.

To the extent necessary, a petition for an extension of time under 37 C.F.R. 1.136 is hereby made. Please charge any shortage in fees due in connection with the filing of this paper, including extension of time fees, to Deposit Account 07-1337 and please credit any excess fees to such deposit account.

Respectfully submitted,
